Silves

The Silves Collection embodies the beauty of handcrafted design, presented in a sleek 75x300mm format perfect for walls. Offered in both matt and gloss finishes, each tile reveals delicate surface variations that highlight its artisanal charm. The thoughtfully curated palette introduces elegant metallic tones, lending a modern touch to this enduring classic.

Cleaning and maintenance advice

Initial washing

The initial washing is fundamental for good treatment results. The initial washing is aimed at removing any laying residues and building grime.

Product: Cloth

Routine maintenance

The aim of the routine maintenance is to remove dirt and scuff marks. Must be carried out regularly.

Product: Cleaner Pro

Please see www.filasolutions.com for methods of use, dilution and coverage.

* Important information - Metallic tile

The special metallic glaze of these tiles is particularly acid-sensitive. Anti-limescale products should not be used for ordinary maintenance. We recommend to use a natural cleaner such as Fila Cleaner.

Do not use aggressive cleaning products such as bleach or ammonia.

Complaints due to a laying or fixing mistakes will not be accepted.
