

Material: **Porcelain** | Appearance: **Concrete** | Application: **Walls and floors**

6 Colours    1 Finish    1 Tile size

# Mulgrave

Mulgrave offers a collection of changing shapes and geometry that create decorative harmony with arabesque and patchwork motifs; shifting towards an illusion of shapes, dimensions and depths obtained by the balanced use of colour. Suitable for internal wall applications (can be used on floors in certain circumstances- please contact us for advice).

Shade variation: V2 - V3

## Sustainability information

## Cleaning and maintenance advice

### Initial washing

The initial washing is fundamental for good treatment results. The initial washing is aimed at removing any laying residues and building grime.  
Product: Deterdek Pro

### Routine maintenance

The aim of the routine maintenance is to remove dirt and scuff marks. Must be carried out regularly.  
Product: Cleaner Pro

### Special maintenance

Special maintenance is carried out in case of very stubborn dirt, when the routine maintenance is not enough to restore the original look of the surface.  
Product: PS/87 Pro

Please see [www.filasolutions.com](http://www.filasolutions.com) for methods of use, dilution and coverage.
