

Material: **Porcelain** | Appearance: **Concrete** | Application: **Walls and floors**

Mulgrave

Mulgrave offers a collection of changing shapes and geometry that create decorative harmony with arabesque and patchwork motifs; shifting towards an illusion of shapes, dimensions and depths obtained by the balanced use of colour. Suitable for internal wall applications (can be used on floors in certain circumstances- please contact us for advice).

Shade variation: V2 - V3

9	Resistance to thermal shock	Resistant
12	Frost resistance	Resistant
13	Chemical resistance	Resistant
14	Stain resistance	Class 5
	Slip resistance	NAT $\geq$ 36PTV

Sustainability information

Cleaning and maintenance advice

Initial washing

The initial washing is fundamental for good treatment results. The initial washing is aimed at removing any laying residues and building grime.

Product: Deterdek Pro

Routine maintenance

The aim of the routine maintenance is to remove dirt and scuff marks. Must be carried out regularly.

Product: Cleaner Pro

Special maintenance

Special maintenance is carried out in case of very stubborn dirt, when the routine maintenance is not enough to restore the original look of the surface.

Product: PS/87 Pro

Please see www.filasolutions.com for methods of use, dilution and coverage.
