# Kaway

Explore the interplay of light and shadow with our three-dimensional Kaway ceramic tiles. These tiles are offered in a concave and convex 100x300mm format and are available in a palette of twelve captivating colors. Designed for interior wall applications, these tiles bring a touch of artistry to your space. Please keep in mind that Kaway is a handcrafted extruded tile, which means it may exhibit natural, charming irregularities in size and shape. We recommend using a 4mm grout joint for the best results.
