

# RULLO

16  
COLOURS

1  
FINISH

3  
TILE SIZES

Rullo presents flat and 3D formats in eight colours. Choose vibrant shades to create a statement and an eye-catching feature wall, or select a more neutral colour palette for a more subtle and sophisticated feel. The 3D formats in our Rullo collection offer light reflecting textures that add depth and movements to walls. Sculptural tiles can be used to accentuate architectural spaces. Please note: Due to the nature of the material there may be dimensional variations between pieces.

---	---

**PLEASE NOTE:**

Due to the nature of the material there may be dimensional variations between pieces. Therefore, all types of joints must be planned and carried out correctly: structural, perimeter, expansion and installation joints. Fitting tiles without joints is not advisable from any technical point of view as this may lead to various problems. For an optimal result we advise to use 1,5 mm grout.

**SUSTAINABILITY INFORMATION**

**CLEANING + MAINTENANCE ADVICE**

**INITIAL WASHING**

The initial washing is fundamental for good treatment results. The initial washing is aimed at removing any laying residues and building grime.

**Product: Deterdek Pro**

**ROUTINE MAINTENANCE**

The aim of the routine maintenance is to remove dirt and scuff marks. Must be carried out regularly.

**Product: Cleaner Pro**
