4 Colours   3 Finishes   13 Tile sizes

# Malo

Malo is inspired by limestone offering a timeless, versatile surface perfect for both residential and commercial environments. With its soft, understated tones, Malo brings a light and airy aesthetic that transforms areas into modern spaces, while evoking a sense of warmth. Available in four distinct shades ranging from white and warm beige to taupe and brown, this collection is suitable for floors and walls in both commercial and residential spaces, and is also designed for outdoor use.

Shade variation: V2 moderate

## Sustainability information

### Cleaning and maintenance advice

#### Initial washing

The initial washing is fundamental for good treatment results. The initial washing is aimed at removing any laying residues and building grime.

Product: Deterdek Pro

#### Routine maintenance

The aim of the routine maintenance is to remove dirt and scuff marks. Must be carried out regularly.

Product: Cleaner Pro

#### Special maintenance

Special maintenance is carried out in case of very stubborn dirt, when the routine maintenance is not enough to restore the original look of the surface.

Product: PS/87 Pro

Please see [www.filasolutions.com](http://www.filasolutions.com) for methods of use, dilution and coverage.
