# Coral Cut

Coral Cut introduces a captivating, textured tile collection ideal for high-impact architectural design. These porcelain tiles feature an intense, variegated mix of blue and green tones, inspired by raw, oceanic surfaces that bring depth and character to any installation. Designed for both visual appeal and robust performance, this finish offers a sophisticated, organic aesthetic that serves as a stunning focal point for feature walls, upscale backsplashes, and unique flooring solutions.

3	Water absorption	>0.5%
4	Breaking strength	>1300N
	Pendulum test - Slider 96 shod (wet) Pendulum test - Slider 55 barefoot (wet)	≥36PTV 25-35PTV

## Sustainability information

## Cleaning and maintenance advice

### Initial washing

The initial washing is fundamental for good treatment results. The initial washing is aimed at removing any laying residues and building grime.

Product: Deterdek Pro

### Routine maintenance

The aim of the routine maintenance is to remove dirt and scuff marks. Must be carried out regularly.

Product: Cleaner Pro

### Special maintenance

Special maintenance is carried out in case of very stubborn dirt, when the routine maintenance is not enough to restore the original look of the surface.

Product: PS/87 Pro
