

Legacy Stoneworks

Legacy Stoneworks reinterprets six iconic stones, celebrating their aesthetic value and cultural heritage through refined elegance. Each surface reflects careful research and preserves the memory of the landscapes that inspired it, expressed through authentic textures and balanced tones. Offered in Honed and Natural finishes and a range of formats, the collection presents a timeless vision of stone for projects defined by quality, character, and enduring beauty.

Sustainability information

Cleaning and maintenance advice

Initial washing

The initial washing is fundamental for good treatment results. The initial washing is aimed at removing any laying residues and building grime.

Product: Deterdek Pro

Routine maintenance

The aim of the routine maintenance is to remove dirt and scuff marks. Must be carried out regularly. Product: Cleaner Pro

Special maintenance

Special maintenance is carried out in case of very stubborn dirt, when the routine maintenance is not enough to restore the original look of the surface.

Product: PS/87 Pro

Please see www.filasolutions.com for methods of use, dilution and coverage.
