

Material: Glazed porcelain | Appearance: Industrial | Application: Walls

Sangyo

Organic form meets architectural precision. The Sangyo collection introduces a sophisticated, handcrafted aesthetic to modern commercial interiors. Characterised by a unique elongated lozenge shape and an undulating glazed surface, it offers a tactile alternative to traditional formats.

Sustainability information

Cleaning and maintenance advice

Initial washing

The initial washing is fundamental for good treatment results. The initial washing is aimed at removing any laying residues and building grime.

Product: Cloth

Routine maintenance

The aim of the routine maintenance is to remove dirt and scuff marks. Must be carried out regularly.

Product: Cleaner Pro

Please see www.filasolutions.com for methods of use, dilution and coverage.
