Novia

Novia reinterprets iconic natural stones through a contemporary lens. Carrara, Viola, Dark Emperador, Nero Marquina, Rojo Alicante, Verde Alpi, and Crema marble come together in a collection that celebrates the enduring beauty of marble. Subtle veining, tonal variation, and soft finishes enhance depth and chromatic intensity, creating balanced surfaces where tradition and elegance meet modern design.

Cleaning and maintenance advice

Initial washing

The initial washing is fundamental for good treatment results. The initial washing is aimed at removing any laying residues and building grime.

Product: Deterdek Pro

Routine maintenance

The aim of the routine maintenance is to remove dirt and scuff marks. Must be carried out regularly.

Product: Cleaner Pro

Special maintenance

Special maintenance is carried out in case of very stubborn dirt, when the routine maintenance is not enough to restore the original look of the surface.

Product: PS/87 Pro
