Terradot

4 Colours | **4** Finishes | **15** Sizes

Terradot offers a fresh and dynamic take on traditional terrazzo aesthetics. Presented in a distinctive 48×450mm format, this collection features a unique graphic design marked by the inclusion of fine pebble-like elements. These subtle infiltrations create a naturally irregular surface, echoing the handcrafted charm of classic Venetian terrazzo.

Cleaning and maintenance advice

Initial washing
The initial washing is fundamental for good treatment results. The initial washing is aimed at removing any laying residues and building grime.
Product: Deterdek Pro

Routine maintenance
The aim of the routine maintenance is to remove dirt and scuff marks. Must be carried out regularly.
Product: Cleaner Pro

Please see www.filasolutions.com for methods of use, dilution and coverage.

LRVs and PTVs

LRV and PTV values may vary between batches; please contact us for guidance.

Document + web colours

Swatch colours may differ from final production, samples are recommended.
