Kurama

6 Colours | **1** Finish | **1** Size

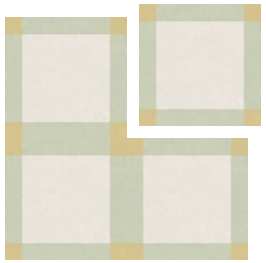

Kurama reinterprets classic tiled grids into a contemporary floor design. Defined by structured borders and contrasting corner accents, the range uses clean geometric framing to establish visual order and graphic movement across a space. Offered in six tailored colourways with a natural finish, it brings a modern, decorative feel to both residential and commercial interiors.

Pendulum test - Slider 55 (Barefoot) Wet	Natural 25-35 PTV

Cleaning and maintenance advice

Initial washing
The initial washing is fundamental for good treatment results. The initial washing is aimed at removing any laying residues and building grime.
Product: Deterdek Pro

Routine maintenance
The aim of the routine maintenance is to remove dirt and scuff marks. Must be carried out regularly.
Product: Cleaner Pro

Special maintenance
Special maintenance is carried out in case of very stubborn dirt, when the routine maintenance is not enough to restore the original look of the surface.
Product: PS/87 Pro

Please see www.filasolutions.com for methods of use, dilution and coverage.

LRVs and PTVs

LRV and PTV values may vary between batches; please contact us for guidance. LRV is measured from the primary background color of the tile face (excluding printed border accents)

Document + web colours

Swatch colours may differ from final production, samples are recommended.
